### MEETING CRITERIA

Customer Care – “Very good . . .”

Design Quality – “We are very pleased with it . . .”

Ease of Use – “Very easy to use – and all our departments feel the same”

Functionality – “What we really like – and sets it apart – is the way it works with multi currencies as we trade in three currencies every day”

Reliability – “No problems. . .”

Technical Innovation – “Again it’s the multi currency functionality that makes it the perfect operating system for us . . .”

Value for Money – “One of the reasons we bought it . . .”
